

Early Financial Aid Estimator 2010-2011

Your Early Financial Aid Estimator will be processed by the McKendree University Office of Financial Aid if it is completed and submitted on or before **January 1, 2010**. McKendree will prepare a preliminary estimated financial aid award for you based on the information you provide.

Step One: Student Information

Student Name: _____ Date of Birth: _____

Address: _____

E-Mail Address: _____

Home Phone Number: (____) _____ Cell Phone Number: (____) _____

Step Two: FAFSA4caster – www.fafsa4caster.ed.gov

FAFSA4caster is made available by the US Department of Education at www.fafsa4caster.ed.gov. You will need to complete the FAFSA4caster and submit a copy of the FAFSA4caster Information (3 pages) and the FAFSA4caster Estimated Federal Student Aid Eligibility (1 page) with this form in order for McKendree to complete your preliminary estimated financial award.

FAFSA4caster will transfer the data that you provide directly to the FAFSA on the Web application. Once the data has been transferred, you will receive reminder e-mails to complete your Free Application for Federal Student Aid.

Step Three: Early Financial Aid Estimate Agreement

I understand that the preliminary estimated financial aid award provided to me by McKendree University is an **estimate**, and is not my official financial aid award. The FAFSA4caster provides McKendree University with my Estimated Federal Student Aid Eligibility. Because this eligibility is **estimated**, I understand that my Free Application for Federal Student Aid (FAFSA) may not reflect the same eligibility. I understand that both state and federal aid is made available to students until funds have been exhausted. If those state and federal funds are no longer available at the time my FAFSA is completed, I understand that McKendree University will not compensate me for any loss of funding.

I understand a preliminary estimated financial aid award will be prepared for me after I have been offered admission to McKendree University. I also understand that official financial aid awards from McKendree University will be offered after March 1, 2010, when my FAFSA is complete.
